

OPENDESK

Resourcing Tiers

OpenDesk is a complete IT solution with everything you need to run a full office environment, including file servers, MS Office, email, backups and unlimited IT support.

Every company is different and within every company, different staff members have different IT requirements. That's why we offer different tiers of performance.

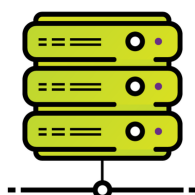

Individual users within a company can access different levels of performance for their Cloud PC depending on their individual needs

OpenDesk Tiers

LEVEL	RAM (GB)	CPU
BRONZE	4	2
SILVER	8	3
GOLD	12	4
PLATINUM	16	4

There are no lock-in contracts, which means users can upgrade or downgrade. This allows you to manage your IT performance.

Specialist Tiers

Many of our clients run specialist software that requires high-level processing power. For users who require advanced processing for GIS, high-performance graphics or video there are dedicated GPU tiers available

OpenDesk GPU Tiers

LEVEL	RAM (GB)	CPU
GOLD +	12	4
PLATINUM +	16	4
DIAMOND +	24	4

For more details on all tier levels please call us and we will be happy to work out the option that is right for your business.
